Spec draft -10 will be modified to indicate that Load-Lexicon may only be used with DEFINE-LEXICON and that Lexicon-Search-Order may only be used with SPEAK and SET-PARAMS/GET-PARAMS.

Still discussing the function of Load-Lexicon.

For history/discussion of this issue, see the thread beginning with <http://www1.ietf.org/mail-archive/web/speechsc/current/msg01767.html>.
